From the Pastor

June is here, and we welcome back the many seasonal residents who worship and minister with us in the warmer months. This June marks something else, too...something new. To respond to a growing number of young people, Session has hired a part -time summer youth leader for middle school age youth.

Mary Whiteacre is a rising junior at Lees-McRae, where she is active in student government and vice-president of Order of the Tower. Psychology and Wildlife Biology are her majors; she remains in the area this summer for an intensive course of

study at the Wildlife Rehabilitation Center.

Mary will minor in Communication and Design, but also finds time to participate in an a cappella music group and attend church regularly at BEPC. Having grown up partly in Africa as the daughter of missionaries, Mary retains a passion for ministry. She has volunteered with Wycliffe Bible Translators to help youth and children transition to and from the mission field, and has worked with kids at a private summer Christian camp.

We are very excited about this first step towards rebuilding a youth ministry here. Students who have completed grades 6-8 are our target group, but older youth are also welcome. Most activities, we think, will take place on Sunday afternoons.

Parents of youth are presently being contacted about our new programming, and more information will be coming. If you have a family member who falls in this age range and would enjoy participating even for part of the summer, don't wait to hear from us — contact Feild or the church office and we will get right back to you. And if you have an idea for a youth outing or can offer some support for this group, we'd love to hear from you.

It's going to be an exciting summer!

- Feild Russell

Approved pulpit exchange with Newland Presbyterian on Sunday, July 23; Michael McKee will preach here while Feild preaches there.

Rejoiced over the start of a new Sunday School Class for ages 3-6, eminent plans for a middle high Sunday School Class, and the continued success of the Preschool.

Shifted \$825 out of Session Discretionary Fund to cover additional 2017 nursery attendant expenses for the Sunday School hour. *A new class has begun for ages 3-6, and several families have younger children who need the nursery during this time period.*

Invited storyteller Tim Lowry back to BEPC for a December 17 presentation of Christmas stories (<u>not</u> Dickens' *A Christmas Story*).

Established a parking agreement with Lees-McRae College, offering part of our new lot for daytime Monday – Friday parking, and receiving some snow removal services from LMC.

Hired Mary Whiteacre as a summer middle high youth intern to lead activities for that age group.

Agreed, in concept, to a BEPC production of Godspell in August/September 2018, directed by Janet Speer.

Called and Recorded a Congregational Meeting on Sunday, May 28, when Ann Swinkola was elected to complete an unexpired term on Session, Class of 2018.

Heard a report from a Task Force to recommend a strategy to replace the rotted wooden "spire" atop the church bell tower with a cross, **discussed** suggestions and concerns from church members, and **voted** to proceed with a simple cross.

Appointed Carolyn West as commissioner to the July meeting of Presbytery.

Park & Play Funding Update 05/30/2017

Park & Play Pledges for 2016 – We have collected 98% of the 2016 Park & Play pledges, and are optimistic that we will receive the remaining \$5,375.00 of this commitment.

Park & Play Pledges for 2017 – We have received \$20,700.00 of the \$48,325.00 that was pledged for 2017.

The Preschool Playground is now completed. Once the parking lot lights are installed and the landscaping is finished that project will be completed also. Comfort Makers

June Dedication - E.C. Newman

Each month, before giving the comforter to a worthy person or cause (Habitat for Humanity, RAM as examples), we dedicate the blanket to a deserving member of our church. For June, our dedication goes to the extraordinary work of E.C. Newman and to the memory of his wife, Lynn.

our comforters.

E.C. is also in that category. A former member of the session, he can be seen regularly delivering meals for Meals on Wheels. As well, he is involved with Feeding Avery Families and he is vitally interested and supportive of the Pastor's Discretionary Fund where individuals who need help are addressed. E.C. has been a mentor and counselor for the Hebron Ministry in Boone, and like Rob Clemmer says, "any time there is a need, E.C. is on top of it."

We especially enjoy his comments and readings in church. We are fortunate indeed that he is a part of our family.

Fellowship Meal - Welcome Home Summer Residents!

Put on your aprons and chefs' hats and plan to join us at 9:30 for brunch following the 8:30 worship service on Sunday, June 18th. Bring your favorite dish to share with others and enjoy fellowship with your church family as we welcome back our summer residents. The 11:00 worship service will immediately follow the meal. We need a team leader (s) for this event. Please contact Carolyn West at 387-2632 or by e-mail at loaferslady@gmail.com.

Warm weather, blue skies, a big maple tree, and children eager to offer a cup of punch to everyone leaving our Sunday morning worship service. Does that bring back warm memories from last summer? Wouldn't you like to be a part of it? We need members who will volunteer to make and serve punch. A sign-up sheet is located in the hallway between the office and sanctuary and we trust you will participate. Deka Tate and Ruth Matherne provided last year's punch for the entire summer and they are asking for assistance this year. If you have questions, please call Deka at 898-9203 or Debi at 387-4914. Please volunteer; we need you!

Walking with Shadows

Our attention to those who have family or friends who deal with mental illness has been very successful. We invite others to join us. Led by our own professional counselor, Rev. Brant Piper. The group seeks out support, comfort and resources for dealing with very difficult problems of relationships, healthy steps and well being. For more information please contact Janet Speer at speeri@lmc.edu. The group meets on the second Monday of each month at 7 PM in the Margaret Tate Parlor on the second floor near the elevator. Our next meeting will be June 12th.

Women's Summer Bible Study

Please join us on Monday mornings at 11am in the upstairs Sunday School class for our summer Bible study. We will begin on Monday, June 19. All are welcome, and you need only bring your Bibles with you. Please join us for lively conversation and good fellowship! The class will be led by Rev. Leslie Piper. For more information contact Leslie at 704-591-9921

Milestones

Travis Henley

Congratulations to Travis Henley. He has recently completed his Professional Engineer exam.

Louise Holshouser Turns 106!

A very special event took place last month in the life of one of our members, Louise Von Canon Holshouser. On May 19th Louise celebrated her 106th birthday! Yes, that's one-hundred-six years! Louise still lives in the homeplace where she was born and is cared for by her devoted daughter, Linda. Louise has always enjoyed sharing her extensive knowledge of local history, including many stories of community members in by-gone days here in Banner Elk. She has also been known for her dedication to the ministry of serving others and for her delightful sense of humor. Louise, your church family sends you love and many happy wishes on this momentous occasion.

Dedication of Sonshine Playground

The new preschool SONshine Playground was dedicated with a special ceremony at the beginning of the May 21 worship service at Banner Elk Presbyterian Church. The congregation was treated to an uplifting video, special prayers and songs by the preschool choir. The moment for mission focused on the church's long history of children's ministries. Following worship, everyone enjoyed finger foods in the King Fellowship Hall. Many of the children went down to the playground after eating. The preschool video and video of children singing at worship service are available on the BEPC website.

Kirkin' O' the Tartan

The 2017 Kirkin' O' the Tartans will be held Sunday June 25th at the 11:00 AM worship service. This Scottish-American custom for rededication to God's service has proved to be a popular annual celebration of this congregation for Scots and non-Scots alike. It is intended now for all of God's people.

At the beginning of worship, the piper plays from the rear of the church as the Beadle (an official in the Church of Scotland) delivers the Bible to the front of the sanctuary. The piper then processes to the front, and two members of a color guard deliver the United States flag and the flag of St. Andrews's. Tartan bearers of the Scottish clans unfurl their banners and process down the aisles to the swirl of bagpipes. The Tartan bearers, many wearing their kilts, place their banners in the front of the sanctuary, and are seated. Regular elements of our service follow, until the end of the hour. At that point, the banners will be retrieved, presented to receive a Blessing O' the Tartans, and recess from the church, again to the sound of the pipes.

BEPC is now fortunate to own many of the tartan flags representative of our membership. These are supplemented by ones owned by individuals. Anyone who does not own their tartan flag can carry one from the congregation's set during the Kirkin'. Please let the church office know of your interest in taking part in the Kirkin' by calling us at 898-5406 and sign up. If you have any questions, you may talk with any member of the Kirkin' Committee:

Ron McGowan, Rob Clemmer, Ed Donnell, Beth Johnston, Bob Pullease, McNair Tornow.

BEPC Choir to Participate in Summer Concert Series!

On June 4th, the BEPC choir will combine with the Holy Cross Church Choir at St. John's Episcopal Church in Valle Crucis as the opening concert for the summer concert series. The program is at 5 pm. The vocal choirs will sing a variety of music. The Holy Cross Handbell Choir will also perform. Other featured artists are Dr. Keith McCuthchen from the University of Kentucky on keyboard and Dr. Scott Kallestad from Appalachian State University on saxophone. Please join us for a wonderful afternoon of music.

St. John's Church is a very historic building. It was built in 1861 and is often referred to as "Carpenter Architecture". It is a wooden building so the acoustics are excellent!

BEPC Preschool

What an eventful end of the school year it has been for BEPC Preschool. We have discussed travel destinations and ways of transportation. The children built mountains with plastic cups, played in tents and had a pretend campfire in the classroom, searched for sea shells in the sandbox while pretending to be on the beach. We worked on different ways of transportation imitating the sounds of trains, cars and ferries. We pretended to be airplanes as we walked to the snack table. Some of us loved being traffic controllers directing our friends on trikes with green, yellow and red lights. The children worked on counting, (both forwards and backwards!) when we were astronauts getting ready to blast off into space. And being able to play in a safe environment outside on our **new** playground has certainly expanded our ways of teaching and learning. This month has undoubtedly raced by us!

The 4-year old class got to ride on a real train as we went on a field trip to Tweetsie Railroad for the Letter Land Parade. The students worked learning letters and sounds with the help of the characters from Letter Land throughout the year and on this day, they got to meet their favorite letters. We had a fantastic day in the sun with our students and families as we honored our graduating class with this special end of the year trip. This is a tradition we hope to keep for many years!

I hope you enjoyed the children singing during the playground dedication and Sunday service on May 21st. I am happy to inform that we had a record setting 19 of 28 children participate. We are all so proud of our children and preschool; they did a wonderful job performing and loved seeing themselves on the screen during the playground video. It was a very special day for our mission of the church - a growing preschool program with families involved. Hope you all appreciated this day as much as we did!

We still have a few spots available for summer camp, if you are interested. This is a great opportunity for family members and friends who are visiting with small children for the summer. The program runs on specific weeks from Monday-Friday 9am-1pm. If you are interested and have any questions please contact AC Marriott on 828-897-1467 or acmarriott@bannerelkpresbyterian.org. You can also find more information about summer camp and fall preschool registration on bannerelkpresbyterian.org/preschool.

Where Are They Now?

Whenever we can catch up with some of our "grown-up church kids," we're writing a little update to help keep us in touch. Two of these young adults were back visiting their families recently.

- Claire Fortune

Corben Brewer is currently working for Northstate Environmentals which is based in Winston-Salem. This company does mainly stream restorations. If you remember the project behind the fire department in Linville last fall, that was Corben out there on a backhoe! He has spent most of his time for the past several years in Mississippi and in Alabama working in an area that had been affected by the BP Oil spill some years ago.

He likes the challenges of the different jobs and travel, but is quick to tell you he doesn't like "leaving home" each time to go back to the job at various locations. (He says his mom and girl-friend have a lot to do with that!) He's happy to be heading back to NC soon where he'll be working in Siler City for a while, so maybe we'll see more of him in the future.

Corben's mom (Sara) says she's glad that he traded the bucking broncos he rode during his high school years for riding a backhoe these days—and earning a paycheck!

After graduating from North Carolina State University in 2015, Emma Earwood began her career in Human Resources at

Cintas in Greensboro. However, she'd really missed Raleigh and was glad to be able to move back last year to be near all her friends, her grandma and her boyfriend (not necessarily in that order!). She is now rounding out her second year with Cintas as an HR manager. She says she loves helping people and is so glad she chose HR as her work, a field in which we predict she will have a bright future.

Emma especially enjoys travel and went to NYC with her mom (Diane) recently. She and friend, James, have been to Puerto Rico, Colorado, Arizona and will soon take off to California.

Emma's favorite memory of BEPC is being part of Youth Group. "It was so fun growing up with everyone in the church. It always feels like home when I attend now while I'm visiting my parents. I feel lucky to have this church family to call my own."

Around the Church.....

John Cox of Feeding Avery Families helped fill the walk-in refrigerator at the nonprofit's new location next to Carolina BBQ in Newland. Volunteers prepared food products for the May 19 distribution, the first at the new location.

We welcomed the Lees-McRae Highlanders show choir, directed by Holly Hendricks, who sang at our worship service recently.

Kaelin Braverman is excited after receiving her quilt from Banner Elk Presbyterian Comfort Makers. The group sent it to

Permanent Funds Ministry

Wills Emphasis Sunday June 11, 2017

How much thought and prayer have you had about giving back to the church's future ministry? It is one thing (and a good thing) to support the operations and missions of our church via your annual stewardship pledge and gifts to special offerings. It is another thing (also good) to support the future of our church via a planned gift. A planned gift requires a thoughtful decision now, with the benefit of the gift bearing <u>fruit in the future</u>.

The Wills Emphasis Sunday sponsored by the Permanent Funds Ministry is meant first, to be sure you have an updated will, and secondly, to politely nudge you to consider a planned gift to the church through your will. Your will is unique and personal; it reflects your wishes and desires in a legal document.

"The Permanent Funds Ministry gives me an opportunity to continue my Christian witness beyond my physical death. I have included the church in my will because my understanding of stewardship directs me to continue my "tithe" of my resources...even after I am gone. It gives me great joy to think that I can help keep Christ's church in Banner Elk strong for years to come. I trust that my gift will make the greatest difference in transforming lives, to the glory of God."

Nickel-A-Meal

Just Where Does Our Nickel-a-Meal Go?

For many years, our congregation has supported a simple project of helping meet hunger needs through our Presbytery of Western North Carolina. Families and individuals are asked to contribute five cents per person per meal. These coins are collected in our homes, then are brought to worship service the last Sunday of each month. Our gifts are added to those of 60 congregations in our presbytery, amounting to over \$100,000 each year. These funds go to help with various projects working to combat hunger.

This year \$31,750 from this fund has been awarded in support of five regional hunger relief projects within the bounds of our Presbytery and one program which is part of our Presbytery's international mission. They are:

- 1) A summer nutritional feeding program, "Snack Sack," endorsed by Reems Creek Beech Presbyterian Church,
- 2) A seven days a week feeding program, "The Community Kitchen," endorsed by Canton Presbyterian Church,
- 3) A community supported needs assistance program, "Swannanoa Valley Community Ministry," endorsed by Montreat Presbyterian Church,
- 4) A county-wide assistance program, "Reaching Avery Ministry," (RAM) endorsed by Banner Elk Presbyterian Church
- 5) A program which works with the homeless and recently released inmates, "Haywood Pathways Center," endorsed by Waynesville Presbyterian Church,
- 6) The feeding ministry of Nkhoma Hospital in Malawi, Africa.

What is most inspiring about this news is that these thousands of dollars awarded by our presbytery's Hunger Committee are provided by nickels--thousands of nickels from hundreds of Presbyterians in Western NC who faithfully set aside a Nickel a Meal every time they eat.
